DOCUMENTATION

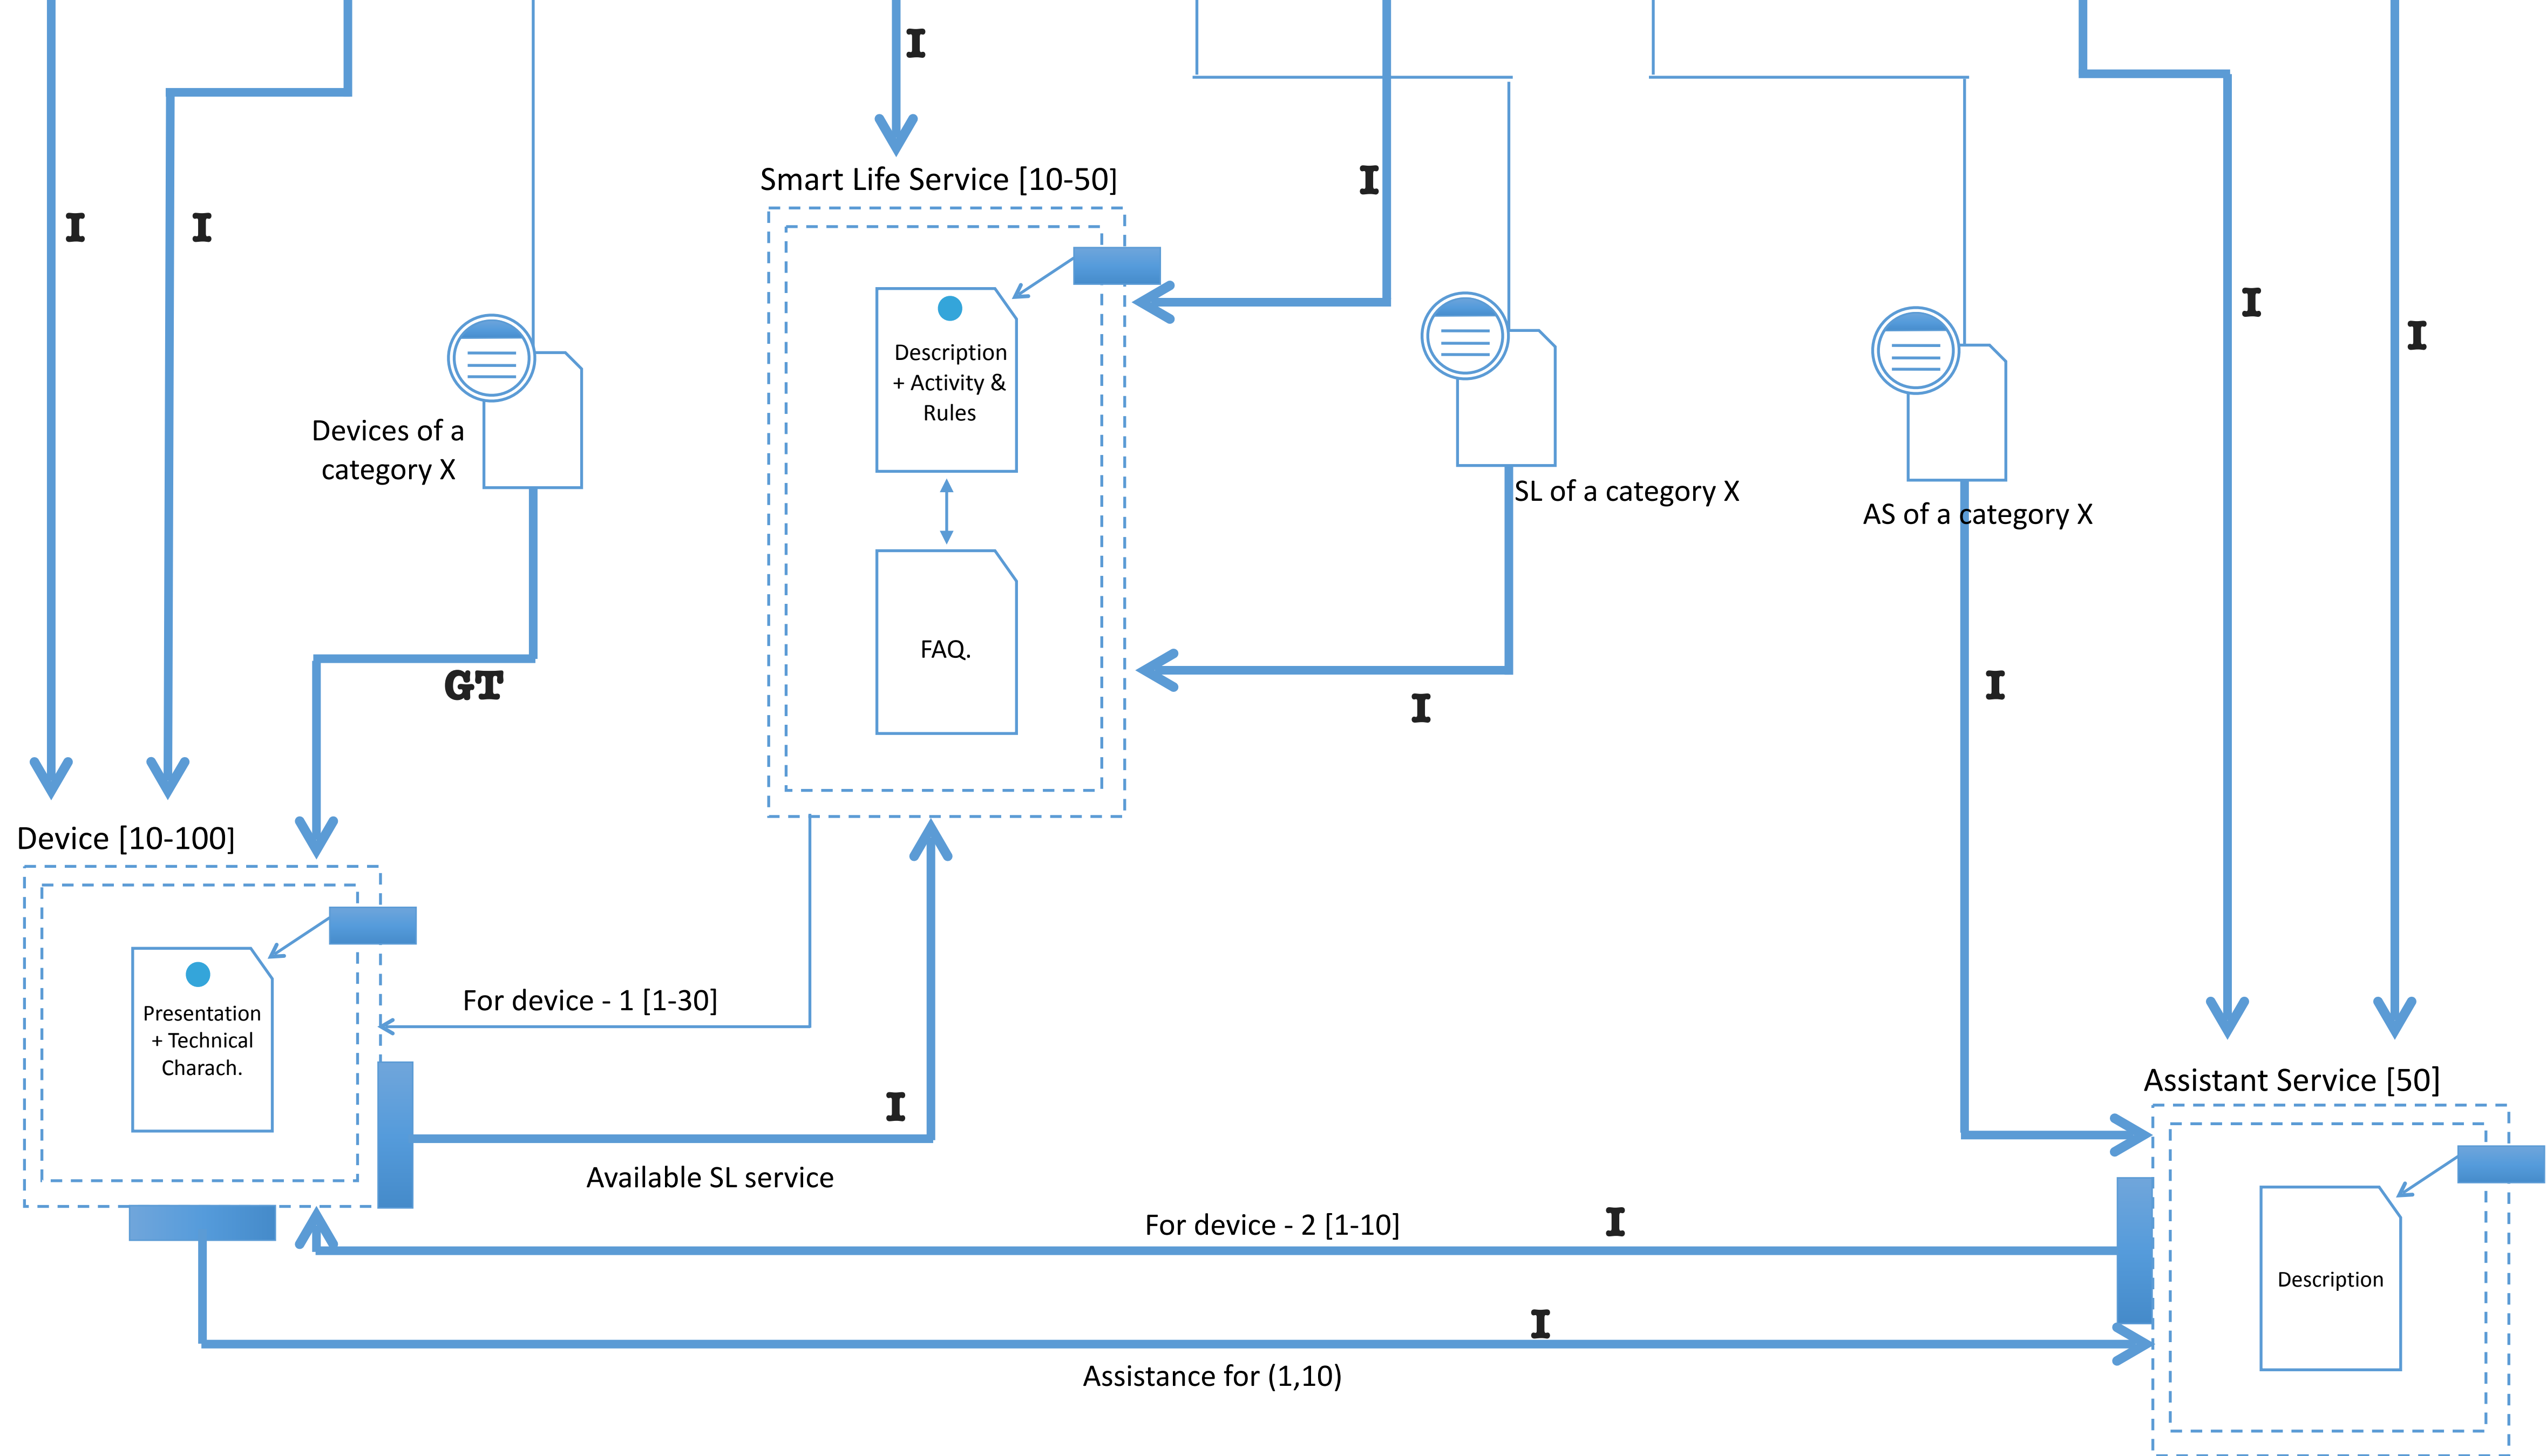

[PAG 7](#)

- ▶ The document contains the three schemas and in the last page the documentation for additional symbols and comments.
- ▶ We used Balsamiq as prototyping tool.

DOCUMENTATION

- ▶ **v** represents the video content included in the same page.
- ▶ **i** represents the presence of an info box who links to another service (Gmail, Outlook, ecc.)
- ▶ **M** represents the presence of a sub-menu in the same page.
- ▶ Our choice of mockup presents the contents in a linear way, giving the same shape or color to links with same importance.
- ▶ We highlighted active links and disabled all links not important to the navigation of the mockup.
